Survey Crew Chief

TWM is seeking an experienced **Survey Crew Chief** to support our **Geospatial Department**. We are looking for driven individuals interested in learning and using the latest technology to provide innovative solutions to our clients.

Experience Level: 3+ years preferred

Schedule: Full-time, 40 hours / week, with the possibility of overtime

Location: Based in St. Charles, MO or Columbia, MO

Essential job functions:

- Perform mathematical calculations
- Read/comprehend plans
- Use robotic total stations and GPS equipment
- Perform various survey-related tasks (e.g. ALTA, boundary, topographic surveys, and construction layout)
- Work outdoors in all weather and often as a 1-person crew

Qualifications Desired:

- Prefer prior experience as a Crew Chief but may consider Instrument Person with enough knowledge and ability to move into a Crew Chief position now.
- High school diploma required. Associate of Science degree in a relevant field is a plus.
- Strong competency in math
- Land Surveyor-in-Training a plus
- Proficiency in Trimble equipment and Trimble Access is a plus
- FAA Part 103 license and UAV experience a plus
- High-Definition Laser Scanning experience a plus
- Team-oriented and self-motivated
- Ability to learn quickly and work independently
- Willingness to work hard and efficiently
- Attention to detail
- Valid driver's license required
- Ability to pass drug/alcohol test and background check is required

Benefits Summary:

Competitive salary and fringe benefit package. Starting salary is dependent upon personal knowledge, skill, and ability. Regular salary reviews, exceptional performance-based bonus incentives, non-contributory Employee Stock Ownership Plan, insurance, 401K, holidays, Paid Time Off and more.

Application instructions:

- To apply visit www.twm-inc.com, click Careers and How to Apply and follow the instructions.
- Use the application for Geospatial Positions.
- **Indicate "Application – MO Crew Chief" in the subject of your email.**
- If applicable, an unofficial transcript from your school's online system is acceptable at this stage. Your transcript can be emailed or sent under separate cover if necessary.
- Apply early. Position will be filled as quickly as possible.

TWM is an established but growth-oriented consulting firm offering Civil and Structural Engineering, Surveying, and other Geospatial services. Named a Top Workplace, TWM prides itself on its culture. We are large enough to handle unique and challenging projects, but small enough to maintain a personal, family-oriented atmosphere where our team members are more than just a number. They are talented individuals who are passionate about their work and about providing clients with Exceptional Service. Nothing Less.

TWM is an EEO/AA/M/F/Vet/Disabled employer.
